

**Tahoe Transportation District
Request for Qualifications
Update
July 27, 2009**

Due to competing priorities amongst members of the Selection Committee, the review and evaluation of the Priority 1 list is still in process. A revised deadline of August 7, 2009 has been established for the Selection Committee to complete their review.

The TTD would like to thank all of the firms for the patience and continued interest in working with the TTD.
