(b) Progress reports shall be sufficiently detailed for District to determine if Consultant is performing to expectations and is on schedule. Progress reports will communicate interim findings and afford occasions for airing difficulties or special circumstances encountered so that solutions can be developed. deliverables submitted during the reporting period and the anticipated tasks, work and deliverables proposed for the subsequent reporting period.

District shall reject or finally accept Contractor's work within sixty (60) days after submitted to District. District shall reject work by a timely written explanation, otherwise Contractor's work shall be deemed to have been accepted. District’s acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Contractor’s work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to, Section 16 “Indemnification” and Section 17 “Insurance.”

SECTION 7. OWNERSHIP OF DOCUMENTS.

All original maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents prepared, developed or discovered by Contractor in the course of providing the Services pursuant to this Agreement shall become the sole property of District and may be used, reused or otherwise disposed of by District without the permission of the Contractor. Upon completion, expiration or termination of this Agreement, Contractor shall turn over to District all such original maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files and other documents.

If and to the extent that District utilizes for any purpose not related to this Agreement any maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files or other documents prepared, developed or discovered by Contractor in the course of providing the Services pursuant to this Agreement, Contractor’s guarantees and warranties in Section 9 “Standard of Performance” of this Agreement shall not extend to such use of the maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files or other documents.

SECTION 8. CONTRACTOR’S BOOKS AND RECORDS.

(a) Contractor shall maintain any and all documents and records demonstrating or relating to Contractor’s performance of the Services. Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to District pursuant to this Agreement. Any and all such
documents or records shall be maintained in accordance with generally accepted
accounting principles and shall be sufficiently complete and detailed so as to permit an
accurate evaluation of the services provided by Contractor pursuant to this Agreement.
Any and all such documents or records shall be maintained for three (3) years from the
date of execution of this Agreement and to the extent required by laws relating to audits
of public agencies and their expenditures.

(b) Any and all records or documents required to be maintained pursuant to
this section shall be made available for inspection, audit and copying, at any time during
regular business hours, upon request by District or its designated representative.
Copies of such documents or records shall be provided directly to the District for
inspection, audit and copying when it is practical to do so; otherwise, unless an
alternative is mutually agreed upon, such documents and records shall be made
available at Contractor’s address indicated for receipt of notices in this Agreement.

(c) Where District has reason to believe that any of the documents or records
required to be maintained pursuant to this section may be lost or discarded due to
dissolution or termination of Contractor’s business, District may, by written request,
require that custody of such documents or records be given to the District. Access to
such documents and records shall be granted to District, as well as to its
successors-in-interest and authorized representatives.

SECTION 9. INDEPENDENT CONTRACTOR.

(a) Contractor is and shall at all times remain a wholly independent contractor
and not an officer, employee or agent of District. Contractor shall have no authority to
bind District in any manner, nor to incur any obligation, debt or liability of any kind on
behalf of or against District, whether by contract or otherwise, unless such authority is
expressly conferred under this Agreement or is otherwise expressly conferred in writing
by District.

(b) The personnel performing the Services under this Agreement on behalf of
Contractor shall at all times be under Contractor’s exclusive direction and control.
Neither District, nor any elected or appointed boards, officers, officials, employees or
agents of District, shall have control over the conduct of Contractor or any of
Contractor’s officers, employees, or agents except as set forth in this Agreement.
Contractor shall not at any time or in any manner represent that Contractor or any of
Contractor’s officers, employees, or agents are in any manner officials, officers,
employees or agents of District.

(c) Neither Contractor, nor any of Contractor’s officers, employees or agents,
shall obtain any rights to retirement, health care or any other benefits which may
otherwise accrue to District’s employees. Contractor expressly waives any claim
Contractor may have to any such rights.
SECTION 10. STANDARD OF PERFORMANCE.

Contractor represents and warrants that it has the qualifications, experience and facilities necessary to properly perform the Services required under this Agreement in a thorough, competent and professional manner. Contractor shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all Services. In meeting its obligations under this Agreement, Contractor shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to the Services required of Contractor under this Agreement. In addition to the general standards of performance set forth this section, additional specific standards of performance and performance criteria may be set forth in Exhibit “A” “Scope of Work” that shall also be applicable to Contractor’s work under this Agreement. Where there is a conflict between a general and a specific standard of performance or performance criteria, the specific standard or criteria shall prevail over the general.

SECTION 11. COMPLIANCE WITH APPLICABLE LAWS; PERMITS AND LICENSES.

Contractor shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules in effect during the term of this Agreement. Contractor shall obtain any and all licenses, permits and authorizations necessary to perform the Services set forth in this Agreement. Neither District, nor any elected or appointed boards, officers, officials, employees or agents of District, shall be liable, at law or in equity, as a result of any failure of Contractor to comply with this section.

SECTION 12. PREVAILING WAGE LAWS.

Contractor understands, acknowledges and agrees to comply with any and all applicable state and federal laws requiring payment of prevailing wages for work performed in connection with publicly-funded projects. Contractor and any subcontractors shall comply with all applicable state and federal prevailing wage rates, statutes, rules and regulations then in effect if required by state or federal laws or regulations. In the event of conflict between applicable federal and state provisions, the higher prevailing wage rate will apply.

SECTION 13. NONDISCRIMINATION.

Contractor shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, sexual orientation, gender identity, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.
SECTION 14. UNAUTHORIZED ALIENS.

Contractor hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Contractor so employ such unauthorized aliens for the performance of the Services, and should the any liability or sanctions be imposed against District for such use of unauthorized aliens, Contractor hereby agrees to and shall reimburse District for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by District.

SECTION 15. CONFLICTS OF INTEREST.

(a) Contractor covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of District or which would in any way hinder Contractor's performance of the Services. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the District Manager. Contractor agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of District in the performance of this Agreement.

(b) District understands and acknowledges that Contractor is, as of the date of execution of this Agreement, independently involved in the performance of non-related services for other governmental agencies and private parties. Contractor is unaware of any stated position of District relative to such projects. Any future position of District on such projects shall not be considered a conflict of interest for purposes of this section.

(c) District understands and acknowledges that Contractor will perform non-related services for other governmental agencies and private Parties following the completion of the Services under this Agreement. Any such future service shall not be considered a conflict of interest for purposes of this section.

SECTION 16. CONFIDENTIAL INFORMATION; RELEASE OF INFORMATION.

(a) All information gained or work product produced by Contractor in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than District without prior written authorization from the District Manager, except as may be required by law.

(b) Contractor, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the District Manager or unless requested by the
District Attorney of District, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor gives District notice of such court order or subpoena.

(c) If Contractor, or any officer, employee, agent or subcontractor of Contractor, provides any information or work product in violation of this Agreement, then District shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorney’s fees, caused by or incurred as a result of Contractor’s conduct.

(d) Contractor shall promptly notify District should Contractor, its officers, employees, agents or subcontractors, be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder. District retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with District and to provide District with the opportunity to review any response to discovery requests provided by Contractor. However, this right to review any such response does not imply or mean the right by District to control, direct, or rewrite said response.

SECTION 17. INDEMNIFICATION.

(a) Indemnification for Professional Liability. Where the law establishes a professional standard of care for Contractor’s services, to the fullest extent permitted by law, Contractor shall indemnify, protect, defend and hold harmless District and any and all of its officials, employees and agents (“Indemnified Parties”) from and against any and all liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including attorney’s fees and costs, court costs, interest, defense costs, and expert witness fees) arise out of, are a consequence of, or are in any way attributable to, in whole or in part, any negligent or wrongful act, error or omission of Contractor, or by any individual or entity for which Contractor is legally liable, including but not limited to officers, agents, employees or sub-contractors of Contractor, in the performance of professional services under this Agreement.

(b) Indemnification for Other than Professional Liability. Other than in the performance of professional services and to the full extent permitted by law, Contractor shall indemnify, protect, defend and hold harmless District, and any and all of its employees, officials and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including attorney’s fees and costs, court costs, interest, defense costs, and expert witness fees), where the same arise out of, are a consequence of, or are in any
way attributable to, in whole or in part, the performance of this Agreement by Contractor, or by any individual or entity for which Contractor is legally liable, including but not limited to officers, agents, employees or sub-contractors of Contractor.

(c) Indemnification from Subcontractors. Contractor agrees to obtain executed indemnity agreements with provisions identical to those set forth in this section from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Contractor in the performance of this Agreement naming the Indemnified Parties as additional indemnitees. In the event Contractor fails to obtain such indemnity obligations from others as required herein, Contractor agrees to be fully responsible according to the terms of this section. Failure of District to monitor compliance with these requirements imposes no additional obligations on District and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend District as set forth herein is binding on the successors, assigns or heirs of Contractor and shall survive the termination of this Agreement or this section.

(d) Limitation of Indemnification. Notwithstanding any provision of this section to the contrary, in California design professionals are required to defend and indemnify the District only to the extent permitted by California Civil Code Section 2782.8, which limits the liability of a design professional to claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional. The term “design professional,” as defined in Section 2782.8, is limited to licensed architects, licensed landscape architects, registered professional engineers, professional land surveyors, and the business entities that offer such services in accordance with the applicable provisions of the California Business and Professions Code. To the extent that California Civil Code Section 2782.8 applies to this Agreement, the indemnification obligations of Contractor shall be limited in accordance with that section.

(e) District’s Negligence. The provisions of this section do not apply to claims occurring as a result of District’s sole negligence. The provisions of this section shall not release District from liability arising from gross negligence or willful acts or omissions of District or any and all of its officials, employees and agents.

SECTION 18. INSURANCE.

Contractor agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in Exhibit “C” “Insurance” and made a part of this Agreement. All insurance policies shall be subject to approval by District as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the District Manager. Contractor agrees to provide District with copies of required policies upon request.
SECTION 19. ASSIGNMENT.

The expertise and experience of Contractor are material considerations for this Agreement. District has an interest in the qualifications and capability of the persons and entities who will fulfill the duties and obligations imposed upon Contractor under this Agreement. In recognition of that interest, Contractor shall not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Contractor’s duties or obligations under this Agreement without the prior written consent of the District. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling District to any and all remedies at law or in equity, including termination of this Agreement pursuant to Section 20 “Termination of Agreement.” District acknowledges, however, that Contractor, in the performance of its duties pursuant to this Agreement, may utilize sub-contractors.

SECTION 20. PROJECT MANAGER AND CONTINUITY OF PERSONNEL.

Consultant designates [INSERT NAME] as its Project Manager for this Agreement and all Task Orders, unless otherwise specified in a Task Order. The Project Manager, or a District approved designee, shall be accessible to District during normal District working hours and shall respond within twenty-four (24) hours to District inquiries or requests. The Project Manager shall be responsible for all matters related to Consultant’s personnel, operations and any subconsultants including, but not limited to (1) assigning qualified personnel to perform the work and prepare deliverables; and (2) reviewing, monitoring, training and directing Consultant’s personnel and any subconsultants. There shall be no change in the person designated as the Project Manager without prior written approval by District.

Contractor shall make every reasonable effort to maintain the stability and continuity of Contractor’s staff and subcontractors, if any, assigned to perform the Services. Contractor shall notify District of any changes in Contractor’s staff and subcontractors, if any, assigned to perform the Services prior to and during any such performance.

SECTION 21. TERMINATION OF AGREEMENT.

(a) Termination for Convenience. District may terminate this Agreement, in whole or in part, at any time by giving written notice of termination to Contractor if District determines that termination is in its best interest. In the event such notice is given, Contractor shall cease immediately all work in progress. Contractor shall be paid its costs, including contract close-out costs, on work performed up to the time of termination.

(b) Termination for Cause. If District notifies Contractor of a default under Section 21 “Default” and Contractor fails to cure the default within the time frame provided, District may terminate this Agreement immediately. Contractor will only be
paid for Services performed in accordance with the manner of performance set forth in this Agreement.

(c) Property of District. Upon termination of this Agreement by either Contractor or District, all property belonging exclusively to District which is in Contractor’s possession shall be returned to District. Contractor shall furnish to District a final invoice for work performed and expenses incurred by Contractor, prepared as set forth in Section 4 “Compensation and Method of Payment” of this Agreement. This final invoice shall be reviewed and paid in the same manner as set forth in Section 4 “Compensation and Method of Payment” of this Agreement.

SECTION 22. DEFAULT.

In the event that Contractor is in default under the terms of this Agreement, the District may give notice to Contractor specifying the nature of the default and providing the Contractor a timeframe to cure the default. The District may hold all invoices until the default is cured. If Contractor does not cure the default to District’s satisfaction in the timeframe given, the District may take necessary steps to terminate this Agreement under Section 20 “Termination of Agreement.” Any failure on the part of the District to give notice of the Contractor’s default shall not be deemed to result in a waiver of the District’s legal rights or any rights arising out of any provision of this Agreement.

SECTION 23. EXCUSABLE DELAYS.

Contractor shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of Contractor. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of District, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this Agreement shall be equitably adjusted for any delays due to such causes.

SECTION 24. COOPERATION BY DISTRICT.

All public information, data, reports, records, and maps as are existing and available to District as public records, and which are necessary for carrying out the Services shall be furnished to Contractor in every reasonable way to facilitate, without undue delay, the Services to be performed under this Agreement.

SECTION 25. NOTICES.

All notices required or permitted to be given under this Agreement shall be in writing and shall be personally delivered, or sent by teletypewriter or certified mail, postage prepaid and return receipt requested, addressed as follows:

SECTION 27.  ADMINISTRATION AND IMPLEMENTATION.

This Agreement shall be administered and executed by the District Manager or his or her designated representative. The District Manager shall have the authority to issue interpretations and to make amendments to this Agreement, including amendments that commit additional funds, consistent with Section 27 “Amendment” and the District Manager’s contracting authority under District’s ordinances, rules and regulations.

SECTION 28.  AMENDMENT.

No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Contractor and by the District. The District Manager shall have the authority to approve any amendment to this Agreement if the total compensation under this Agreement, as amended, would not exceed the District Manager’s contracting authority under the District’s ordinances, rules and regulations. All other amendments shall be approved by the District’s Board. The Parties agree that the requirement for written modifications cannot be waived and that any attempted waiver shall be void.

By written notice or order, District may, from time to time, order work suspension or make changes to the Services to be provided by Contractor. If any such work suspension or change causes an increase or decrease in the price of this Agreement or in the time required for its performance, or otherwise necessitates an amendment to
this Agreement, Contractor shall promptly notify District thereof within ten (10) days after the change or work suspension is ordered, and an amendment to this Agreement shall be negotiated. However, nothing in this clause shall excuse Contractor from complying immediately with the notice or order issued by District.

SECTION 29.  BINDING EFFECT.

This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Parties.

SECTION 30.  FEDERAL PROVISIONS.

District will be using money received from the federal government to pay all or a part of the compensation to Contractor for the Services. The federal government requires certain clauses to be included in contracts where federal money will be used in the contract. Contractor agrees to adhere to the federally-required provisions included in Exhibit “D” hereto and incorporated herein by reference. If there is a conflict between any provision in Exhibit “D” and the body of this Agreement, Exhibit “D” shall control. In addition, the Federal Highway Administration’s Required Contract Clauses for Federal Aid Construction Projects (FHWA Form 1273, revised May 1, 2012; https://www.fhwa.dot.gov/programadmin/contracts/1273/1273.pdf) is incorporated by reference herein.

SECTION 31.  WAIVER.

Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision nor a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by District of any work or services by Contractor shall not constitute a waiver of any of the provisions of this Agreement.

SECTION 32.  LAW TO GOVERN; VENUE.

In the event of litigation between the Parties, venue in state trial courts shall lie exclusively in the County of El Dorado, California where the dispute arises from Services performed in California, or shall lie exclusively in the County of Douglas, Nevada where the dispute arises from Services performed in Nevada. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Eastern District of California for Services performed in California, or in the District of Nevada for Services performed in Nevada.
SECTION 33. ATTORNEYS FEES, COSTS AND EXPENSES.

In the event litigation or other proceeding is required to enforce or interpret any provision of this Agreement, the prevailing Party in such litigation or other proceeding shall be entitled to an award of reasonable attorney's fees, costs and expenses, in addition to any other relief to which it may be entitled.

SECTION 34. ENTIRE AGREEMENT.

This Agreement, including the attached Exhibits, is the entire, complete, final and exclusive expression of the Parties with respect to the matters addressed therein and supersedes all other agreements or understandings, whether oral or written, or entered into between Contractor and District prior to the execution of this Agreement. No statements, representations or other agreements, whether oral or written, made by any Party which are not embodied herein shall be valid and binding.

SECTION 35. SEVERABILITY.

If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).

SECTION 36. CONFLICTING TERMS.

Except as otherwise stated herein, if the terms of this Agreement conflict with the terms of any Exhibit hereto, or with the terms of any document incorporated by reference into this Agreement, the terms of this Agreement shall control.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the date and year first-above written.
