

**NOTICE OF COMMUNITY MEETING**  
**REGARDING PUBLIC TRANSIT SERVICE IN YOUR NEIGHBORHOOD**  
**TO BE HELD AT KELLY RIDGE**  
**WEDNESDAY, DECEMBER 19, 2018 AT 5:30 PM**

**Proposed Changes to Route 55**

During the last month, residents of Bijou Park Acres have expressed a desire to re-route public transit buses away from neighborhood streets (Hobart, Red Lake, and Walkup Roads). Tahoe Transportation District (TTD) staff have heard these requests and propose a new alignment for the Route 55 shifting the service rotation to Blackwood Road and Pioneer Trail (map on reverse). Both old and new alignments are proposed to continue utilizing Herbert Avenue to serve Kelly Ridge. The proposed circulation creates a challenging right turn from Pioneer Trail onto Herbert Ave. During times of poor road conditions, the TTD circulation will only serve Spruce Ave, if conditions allow. Kelly Ridge management will be notified when the circulation is unsafe.

TTD staff scheduled a public meeting at Kelly Ridge for Wednesday, December 19, 2018 at 5:30 pm. Due to limited seating at Kelly Ridge, we kindly ask that you RSVP to TTD by December 14, 2018. If a different venue is needed, TTD will communicate the new location to everyone on the RSVP list. At this meeting, staff will present the proposed revision in detail, gather any additional public comments, and finalize changes if everyone is in agreement. Once consensus is reached on the alignment, staff will notice the Bijou Park Acres and passengers of the service change with a scheduled date of implementation.

Spanish translation is available.
