Reservations | (530) 550-7451

ABOUT THE PROGRAM

The North Tahoe/Truckee Transport (NTTT) Program is a shared ride, ADA (wheelchair) accessible, public transit service offering seniors FREE transportation within the North Shore, Truckee, and to areas out of our region. The NTTT will pick you up at your home and take you to your destination. In partnership with Tahoe Forest Hospital and the Town of Truckee, NTTT provides seniors an affordable option to reach health care providers, wellness programs, social services, shopping, entertainment, and family and friends. Priority is given to senior residents of eastern Placer and Nevada counties. Other residents are welcome to ride on a space available basis for a fixed fare. Seniors may make a donation to support operational costs.

.....

.....

MAKE A TRIP RESERVATION

Advance reservations are required two (2) days prior to travel.

Requests are scheduled on a first come, first served basis.

Arrival and departure times are determined by the number of passengers.

We request that passengers travelling to medical appointments schedule them between 10 am–2 pm.
