

Notice of Potential Transit Service Route Elimination and Service Changes

Notice is hereby given that the Tahoe Transportation District (TTD) may need to eliminate or reduce service on Route 21x and change service on Routes 19x and 20x. The potential service changes would go into effect on October 1, 2016.

These potential service changes are the result of proposed funding and eligibility determinations by the Nevada Department of Transportation. TTD staff is searching for solutions to this situation, but is notifying the public as soon as possible given the importance of these routes and the extent to which the commuting public relies on them.

The TTD Board of Directors will discuss the potential changes and receive public comment at its meeting on August 12, 2016, at 128 Market Street, Stateline, NV. The meeting starts at 9:30 a.m., however the discussion is not time certain. Public comment will be limited to five minutes per person.

Written comments may also be submitted to TTD at PO Box 499, Zephyr Cove, NV, 89448 or emailed to info@tahoetransportation.org. Written public comments must be submitted prior to 5:00 p.m. on August 11, 2016, in order to be part of the record.

For special accommodations/translation services, please call (775) 589-5500 at least 48 hours in advance of the meeting. TTD assures nondiscrimination in accordance with Title VI of the Civil Rights Act of 1964, and the Americans with Disabilities Act.
