The Tahoe Transportation District (TTD) has a strong commitment to the community we serve and our employees. As an equal opportunity employer, we strive to have a workforce that reflects the community we serve. No person is unlawfully excluded from employment opportunities based on race, color, religion, national origin, sex (including gender identity, sexual orientation, and pregnancy), age, genetic information, disability, veteran status, or other protected class.

TTD's Equal Employment Opportunity (EEO) policy applies to all employment actions, including but not limited to, recruitment, hiring, selection for training, promotion, transfer, demotion, layoff, termination, rates of pay or other forms of compensation.

All applicants and employees have the right to file complaints alleging discrimination. Retaliation against an individual who files a charge or complaint of discrimination, participates in an employment discrimination proceeding (such as an investigation or lawsuit), or otherwise engages in protected activity is strictly prohibited and will not be tolerated.

TTD is committed to providing reasonable accommodations to applicants and employees who need them because of a disability or to practice or observe their religion, absent undue hardship.

As TTD's District Manager, I maintain overall responsibility and accountability for TTD's compliance with its EEO Policy and Program. To ensure day-to-day management, including program preparation, monitoring, and complaint investigation, I have appointed DeDe Aspero, Human Resources/Risk Manager at 775-589-5326 as TTD's EEO Officer. Ms. Aspero will report directly to me and acts with my authority with all levels of management, labor unions, and employees. If there is a complaint investigation involving Ms. Aspero, the complaint should be brought directly to my attention for follow up.

All TTD management, and supervisory personnel, however, share in the responsibility for implementing and monitoring TTD's EEO Policy and Program within their respective areas and will be assigned specific tasks to ensure compliance is achieved. TTD will evaluate its managers' and supervisors' performance on their successful implementation of TTD's policies and procedures, in the same way TTD assesses their performance regarding other agency's goals.

TTD is committed to undertaking and developing a written nondiscrimination program that sets forth the policies, practices and procedures, with goals and timetables, to which the agency is committed and make the EEO Program available for inspection by any employee or applicant for employment upon request.
